BAND BIOGRAPHY

Six Gun Romeo are one of those no-nonsense Blues/Rock, Outlaw Country bands. There are no side steps into jazz, atonality, difficult time signatures, just bass, drums, guitars and vocals. Borrowing heavily from the 50s/60s rock and blues boom, with nifty bass and guitar unison riffs, with simplicity at the core of what they do.

Six Gun Romeo from Western Canada has played over 400 shows, events, festivals & released 6 albums. Toured Western, Eastern & Southern U.S.A. 4 times, including dates in California, Nevada, Oregon and Washington, Boston, Memphis, Nashville and 2 European Tours in a 9-year span.

They have shared the stage with some of Canada's and the World's finest, playing events & festivals with Bad Company, Lonestar, and Sawyer Brown Opening for Dierks Bentley & Deke Dickerson in LA. All the evidence you need that these guys are in bed with Johnny Cash on one side of the pillow and ol' school ZZtop on the other side. Add a dash of reverend Horton heat and the Paladins into the Mix and you have an amazing fun, slap you around rock and roll band! Not to mention a second to none live show!
